The plat has been forwarded to the appropriate agencies for their review and comments. Once initial review of the application is complete, Brian Potts, the project planner, will forward a set of review comments to you. Staff notes that a deed was provided with this submission.

Please note that in order to provide better customer service this comment letter and all future correspondence will be provided by electronic mail only. If hard copies of any correspondence or documents generated by this application are required, they will be provided at your request.

In addition, if during the review of an application the applicant, owner or representative changes; a new land development application (with the new email address) identifying the new individual(s) should be submitted.

We encourage periodic inspection of the project file which is available on the Loudoun Online Land Applications System, LOLA (www.loudoun.gov/LOLA). It can also be reviewed on the second floor of the Loudoun County Government Center at the Land Development Records Counter from 8:00 AM to 4:30 PM, Monday through Friday. Please refer to the application number, referenced above, when requesting the file.

Please feel free to contact me at 703-737-8296 [karen.ilge@loudoun.gov] or Brian Potts at 703-777-0255 [brian.potts@loudoun.gov] if you have any questions.
